Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). STATEMENT (ITEM 4) ACCOMPANYING PETITION FOR REVIVAL FOR
PATENT APPLICATION ABANDONED UNINTENTIONALLY 37CFR1.137(b)

I, Cheryl Work, am the Administrative Manager of the
IPLaw Department of IBM Corporation, 11400 Burnet Rd.,
Austin TX. 78758.

Upon being advised of the Notice of Abandonment, dated
July 31, 2007 herein for failure to respond to the Official
Action mailed April 7, 2006, I investigated the facts, and
found the following.

All letters and communications addressed to the IPLaw
Department, in Austin Texas are routinely entered to the IBM
IPLaw records database and assigned to the appropriate

PATENT

administrators for attorneys responsible for handling the particular communication.

However, our records indicate that ownership of the present Patent Application was assigned by IBM Corporation to Lenovo (United States) Inc., Durham, NC prior to April 7, 2006.

Consequently, based upon our procedures, the communication (Office Action) of April 7, 2006 would not have been entered into the IPLaw records database. The Office Action would have been mailed to the IPLaw Department of Lenovo, Inc. in Durham, NC.

From this information, I believe that the Office Action dated April 7, 2006 if received in the IPLaw Department of IBM Corporation, Austin, Texas would have been routinely forwarded to the Lenovo IPLaw Department.

STATEMENT (ITEM 4) ACCOMPANYING PETITION FOR REVIVAL FOR
PATENT APPLICATION ABANDONED UNINTENTIONALLY 37CFR1.137(b)

I, Michele Fitzsimmons handle administration of the
IPLaw Department of Lenovo (United States) Inc., 4401,
Silicon Dr., Durham NC 27709.

Upon being advised of the Notice of Abandonment, dated
July 31, 2007 herein for failure to respond to the Official
Action mailed April 7, 2006, I investigated the facts, and
found the following.

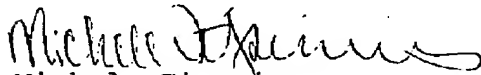

There is no indication in our records that the Official
Action of April 7, 2006, forwarded from IBM Corp. IPLaw

Consequently, I must conclude that the subject Official Action was unintentionally lost as a result of miscommunication between IBM Corporation and the Lenovo IPLaw Dept. during the transition of the handling of the present Application from IBM Corporation to the present assignee, Lenovo Inc.

Michele Fitzsimmons
